In the Matter of:

THE APPLICATION OF GLENGARRY)

SEWAGE TREATMENT PLANT, FOR)	CASE NO. 8690
AN ADJUSTMENT OF RATES PURSUANT)	
TO THE ALTERNATIVE PROCEDURE)	
FOR SMALL UTILITIES)	

O R D E R

On November 17, 1982, Glengarry Utilities, Inc., ("Glengarry") filed an application with the Commission to increase its rates pursuant to 807 KAR 5:076, Alternative Rate Adjustment Procedure for Small Utilities. On July 8, 1983, the Commission entered its Order in this matter. On August 1, 1983, Glengarry filed a request for reconsideration and/or rehearing and, on November 3, 1983, the Commission entered its Order granting additional revenue on reconsideration. Subsequently, on November 10, 1983, Glengarry filed a letter with the Commission indicating errors had been made in the original application, stating that the rates allowed by the Commission would result in a shortfall of approximately \$3,380¹ based on recent information from Louisville Water Company showing that

¹ Proposed rate \$12.73 x 339 cust. x 12 mo. = \$51,785.64
Approved rate \$11.90 x 339 cust. x 12 mo. = 48,409.20
Revenue Shortfall \$ 3,376.44

anticipated commercial revenues will be less than those projected in the original application.

The Commission, having reviewed the evidence of record and considered this request, is of the opinion and finds that:

(1) The information upon which this request is based is outside the test period utilized in determining the rates in this case.

(2) Glengarry made no attempt to update, revise, or ask for reconsideration of the commercial rate during the active pendency of this case.

(3) The request contains information showing a revenue shortfall resulting from the commercial rates; however, no information was presented on the revenue impact of Glengarry's other customers.

IT IS THEREFORE ORDERED that Glengarry's request for further reconsideration be and it hereby is denied.

IT IS FURTHER ORDERED that the Commission's Order dated November 3, 1983, be and it hereby is affirmed.

Done at Frankfort, Kentucky, this 14th day of December, 1983.
